*In your prayers, please remember those who are suffering, and those who have passed: especially
Merina Dickson ~ Joan Losier ~ Everette Quann*

Dear Jesus, I pray for you and everyone in heaven. I hope that they are just as happy as I am. I pray that one day we all get along and be happy together. I pray for people that are not as kind, that they become closer to you and everyone around them. I pray for people that have less or nothing, that they can still be happy even though they don't have what they need. I'm thankful for what I have and what I will receive in the future. I thank you for the people in my life, the things that I have, love that I give, and receive. And giving me the chance to love and forgive one another. I thank you for my health, so I can live to be a better person everyday, I thank you for my legs, so I can walk on your beautiful earth. I thank you for my eyes, so I can see the beautiful things in life, and I thank you for letting me be me. Please bless those in need and bless those that are suffering, that they can be healed. You are our leader, our savior, our God. You sacrificed your life to us and asked for nothing in return. **Amen**
