In your prayers, please remember those who are suffering, and those who have passed

Prayer for relief from grief

God of strength, uphold me today. The pain is so intense. I feel fear and anger building up. I ask that you will relieve me of all these unhealthy emotions that are building up because of the loss of a loved one. The grief is just too much, and I don't know how to handle it. I'm even struggling to pray and think of your plan for my life in this situation. Remind me that whatever happens, you have a good plan in mind for my life. You have a purpose for everything that you allow to happen. Relieve me of this pain, fear, and anger. Comfort me in this time of grief. Let me feel your assuring arms around me and my family. Take this loss and use it for me to get to know you deeper in my life. Use this time of loss to make our family bonds stronger than before. **Amen**

Graduation Prayer

As we stand at the threshold of a new chapter in our lives, we thank you for guiding us through this educational journey. For our graduating seniors, this moment is especially significant. We pray for them as they prepare to step into the world beyond these school walls. Grant them wisdom, courage, and resilience to face the challenges that lie ahead. May they carry with them the lessons learned here and use them to shape a bright and promising future. Thank you for the friendships formed, the knowledge gained, and the growth experienced. In Jesus name, Amen
