Music in the Life of the Church

What does music mean to you?

All are welcome to freely enjoy this presentation inquiring about the ***nature of music***, about what makes it "good," and what makes it "sacred."

This hour-long presentation ends with a challenge for listeners to identify the difference between good, sacred, and other music.

Join us in the upper room of Creative Grounds Café, 156 Wellington Street, 3PM Sunday August 18.

Along with this nourishment of our minds and souls, we'll have locally brewed coffee and light refreshments.
